

March 2022: Geelong Region | Employment Trend Data

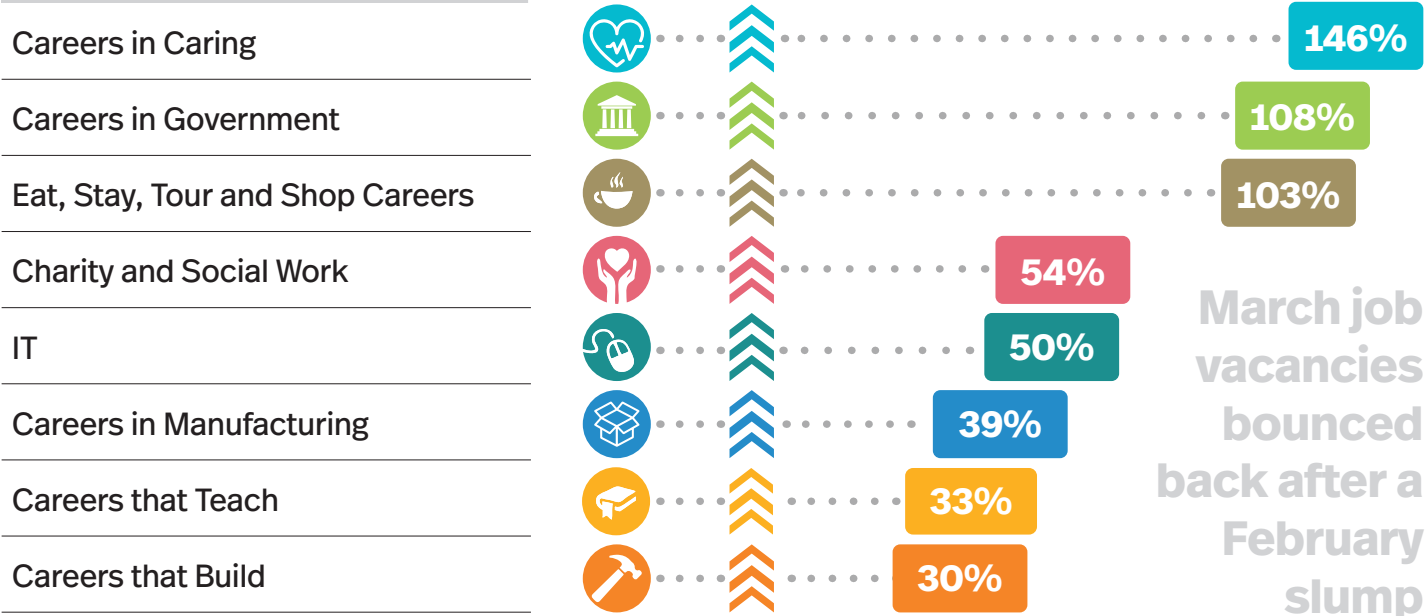

The following information collated from the Geelong Careers website provides a snapshot of current employment trends in the Geelong region over March 2022.

Points of interest:

Overall, March job vacancies bounced back after a February slump.

This March saw **Careers in Caring (Health)** head upwards by 146%. Also, job advertisements for employment in local and state **government** organisations were up by 103% in March. **Eat, Stay, Tour and Shop** Careers continue to reflect a high demand for skilled and unskilled workers to join this sector. All other sectors showed healthy increases as the array of job vacancies on offer in the Geelong region point towards an optimistic outlook for job hunters in 2022.

Comparison of trending industry data: Feb & Mar 2022
