

## May 2022: Geelong Region | Employment Trend Data

Data from the online Geelong Careers jobs portal shows that G21 job vacancies in May 2022 increased by 20% on April job numbers.

### Points of interest:

A comparison of May 2022 job vacancies when compared with May 2021 figures recorded a 25% increase on the same time last year.

These figures reflected a demand for workers in certain industries in Geelong and surrounding regions:

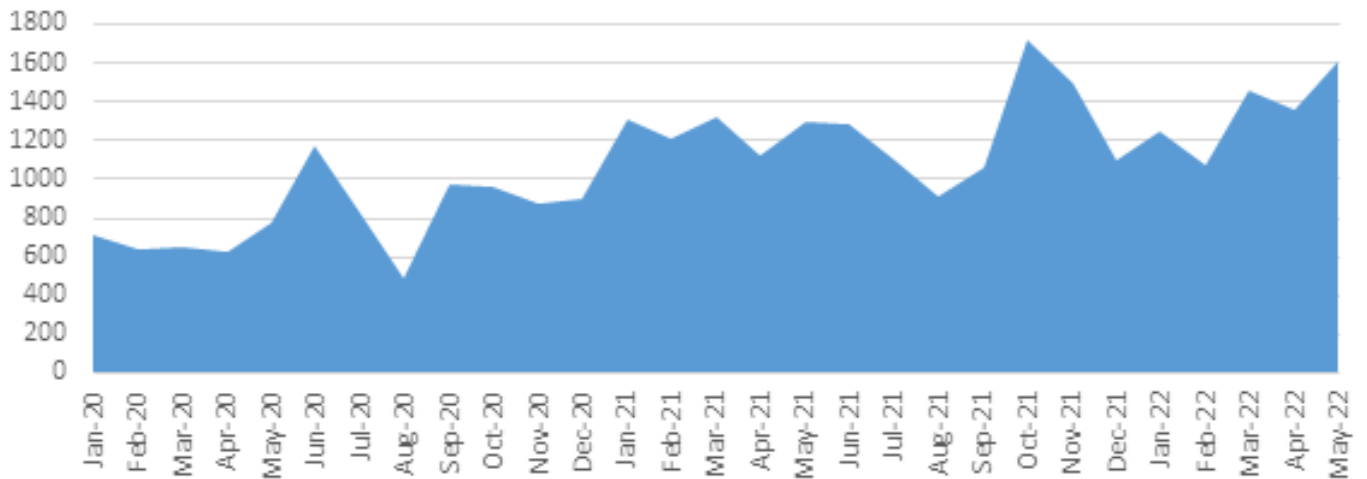

- For instance, job vacancies in the **Government** sector in May 2022 were 4 times greater than they were in May 2021, and nearly 10 times what they were in 2020.
- Advertised May 2022 job vacancies in the **Health** sector were 33% higher than they were for May 2021 and 140% higher than they were in 2020.
- May 2022 career opportunities in the **Eat, Stay, Tour** sector also continue to reflect an optimistic jobs rebound when compared with May 2020 when COVID-19 lockdowns were hitting this sector severely.

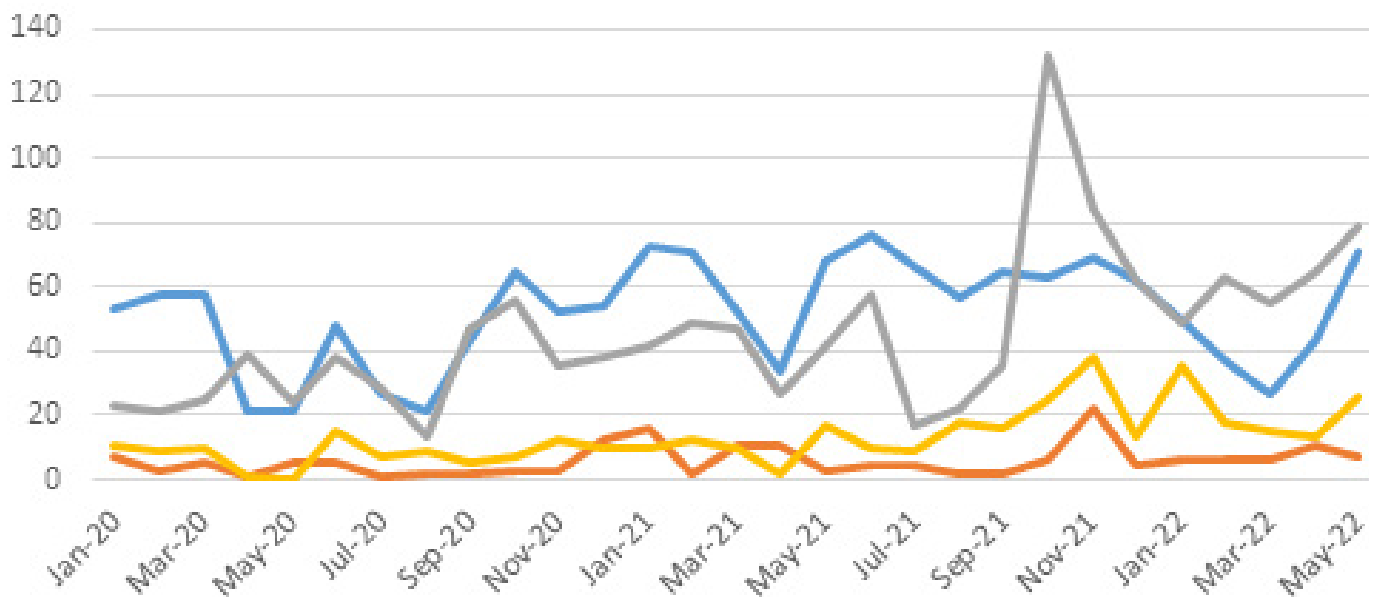

With hundreds of jobs currently available and more being added every day, [Geelong Careers](https://www.geelongcareers.org.au) can help you find the right job in our region.
